WORLD TRAVEL AWARDS 2005

ROYAL MARE THALASSO
Europe's Leading Spa Resort

ROYAL OLYMPIAN SPA & THALASSO
Greece's Leading Spa Resort

Mrs Angelopoulos and her son during the ceremony in London

Dear partner,

Dear distributor,

THAL'ION is proud to share with you, that our thalasso partner Aldemar, the prestigious Greek hotel chain, scooped the first award of the best European tourist firm for the year 2005 thanks to their two Thalasso Centers the **Royal Mare Thalasso** and the **Royal Olympian Spa & Thalasso** where THAL'ION products and treatments are offered. Thus, this group becomes one of the leaders in world travel.

Marianne Angelopoulos, founder of the thalasso spas and her son, Mr. Alexandros Angelopoulos, Adelmar Executive Director received **two highly prestigious awards at the World Travel Organisation's 12th annual World Travel Awards**, held in November 2005, at the stunning Royal Opera House in London. They received this prize for their pioner group's role in the Greek luxury tourism, in the fields of health and well-being.

Consequently, the **Royal Mare Village & Thalasso** was awarded the «**European Leading Spa Resort 2005**». Whilst the newest hotel of the group, the **Adelmar Olympian Village** on the West Peloponnese, received its first international distinction «**Greece's Leading Spa Resort 2005**».

Nominated again for year 2006, we wish Adelmar group good luck and the same success to all of our partner centres.

Do not hesitate to discover more in details on their website www.aldemarhotels.com
